Dear Phil and Joseph,

I am writing to thank you for the wonderful CHIN Christmas party hosted at the beautiful Venetian Ballroom. Your facility is certainly one of the finest and is only surpassed by the attentiveness of you staff and the superb quality of your kitchen.

This was a very special occasion for CHIN RADIO as it was the first Christmas staff party held since the passing of my father Johnny Lombardi and it was also the celebration of my mother Lena's 80th birthday. We invited guests from around the province and States who all joined in celebration. Everyone commented on the wonderful atmosphere, terrific staff and outstanding food. You couldn't have done better, but you did.

CHIN called and asked your help to provide a buffet lunch for the church congregation in tribute to Amo Dhanjal, our staff member who died tragically months ago leaving a wife and three young kids. CHIN organized a fund raiser and on Sunday December 21st we planned to host a lunch for her church members and present the funds we raised. With only two days notice, your Amy quickly rose to the occasion and organized a fantastic buffet at the church. They are still talking about it.

On behalf of my family and staff at CHIN RADIO I thank you for making our Christmas party and birthday celebration so special and for helping CHIN provide such a wonderful Christmas feast for the family and church congregation of Amo Dhanjal. Si fatta na bouna jobba!

Wishing you all a very Merry Christmas and the very best in the New Year.

Sincerely,

**Lenny Lombardi
