Dear Venetian Team,

Nick and I would like to take the time to personally thank you for the marvelous job that everyone did in helping to make our wedding perfect. From the moment that we booked The Venetian as our reception venue we were treated with respect and with care.

The food served at our wedding was absolutely amazing and to this day people still talk about how perfectly organized and planned everything was.

We couldn't have asked very anything more and we just wanted to say that you made our wedding day not only the talk of the town but you also exceeded our expectations and made our special day perfect.

Once again thank you.

Sincerely,

Nick and Marta Macolino
